EXECUTIVE ORDER NO. 2000-01

ESTABLISHMENT OF NON-SMOKING POLICY IN STATE BUILDINGS REPEALING AND REPLACING EXECUTIVE ORDER NO. 96-02

WHEREAS, it is in the best interest of Idaho citizens for the state to promote public health by increasing the awareness of the dangers and consequences of smoking; and

WHEREAS, it is the state's duty, as an employer, to provide a healthy work environment, and to protect public buildings against fire damage and other related property damage; and

WHEREAS, a uniform state policy relating to smoking in state-owned and state-leased buildings will promote these goals.

NOW, THEREFORE, I, DIRK KEMPTHORNE, Governor of the State of Idaho, have determined that a non-smoking policy in public buildings is a prudent one; therefore, I hereby direct that the following policy shall continue to govern officers and employees of the State of Idaho:

All state-owned or state-leased buildings, facilities, or areas occupied by state employees shall be designated as "non-smoking" except for custodial care and full-time residential facilities. The policy governing custodial care and full-time residential facilities may be determined by the directors of such facilities.

FURTHER, I hereby encourage all employees in the State of Idaho to promote a non-smoking policy in all buildings occupied by state employees.

This Executive Order repeals and replaces Executive Order 96-02.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Idaho, at Boise the Capital, the second day of February, in the year of our Lord two-thousand, and of the Independence of the United States of America the two hundred twenty fourth, and of the Statehood of Idaho the one hundred eleventh.
